JOIN US AT AOGS2026

We are pleased to announce that our 2026 Annual Meeting will be taking place from 02 to 07 August, 2026 in Fukuoka, Japan. AOGS2026 spans two venues connected by a walk-way: Marine Messe Hall B and FICC-Fukuoka International Congress Center.

In addition to scientific presentations and an exhibition, ancillary activities include field trips, workshops and special sessions, offering a comprehensive and interesting experience. Attendees and exhibitors can also engage in “Networking" to maximize participation and create relationships through targeted one-on-one meetings that extend networks.

Lead scanner

Exhibitors and sponsors will get exclusive access to our in-app lead scanner allowing you to capture leads efficiently and effectively.

1. Lead scanner will be a feature within the AOGS2026 Mobile Application
2. Simply open the lead scanner and position the camera over the QR codes printed on the badges of the attendees you are talking to
3. To aid your subsequent follow-ups, you can rate the lead as 'cold', 'warm', 'hot' & key in a short note
4. With one click of a button, the leads captured are sent directly to your email with an attached excel sheet

Business-matching

Leave nothing to chance - pre schedule meetings with your right prospects weeks ahead of our event via an interactive Web Application.

1. Enjoy AI-powered recommendations on the best prospects for your business
2. Utilise a simple yet powerful multi-value search feature to find the right people
3. Pre-scheduling a meeting takes 2 clicks and meetings are booked based on mutual availability
4. Automated reminders via emails & SMS to ensure meetings fulfilment

Similar to previous AOGS annual meetings, AOGS2026 provides a range of packages tailored to meet your organization's specific needs. These packages include booth space, marketing opportunities and access to all event sessions and activities. The nature and extent of recognition can be negotiated and tailored to align with the sponsors' goals and AOGS objectives.

KEY LECTURE SPONSOR
SGD8,250 | USD6,470

The Axford Lectures, Section Distinguished Lectures, and Medal Lectures are among the principal attractions of each annual gathering.

AOGS looks to sponsors for assistance in order to promote improved cooperation and innovation, which in turn promotes our society's long-term viability and the areas of expertise of our members. Your donation will fund one or more of these talks, depending on what you would like to sponsor.

Entitlements

1. Top Banner ad in conference mobile app
2. Logo placement in conference materials (Print and Digital)
3. Sponsor introduction & acknowledgement during lecture
4. Option to purchase one booth package at half-price (Normal Price is SGD5,500; Discounted Price is SGD2,750)

FOOD & BEVERAGE SPONSOR
SGD27,500 | USD21,600

One of the key aspects of ensuring a positive attendee experience is providing convenience and sustenance during the event. Your contribution will not only elevate conference attendee experience but also create a memorable association with our event. Your donation will fund these or more attendee services:

AOGS Beer Hour During Poster Sessions
Taking place right in the exhibition hall during poster sessions, this offers a prime opportunity to engage with attendees in a relaxed, social atmosphere. With increased foot traffic in the exhibition hall, your brand can enjoy heightened feasibility.

Taste of the City
A fun and flavourful stop featuring Japan's iconic cup noodle varieties. This lively spot attracts attendees seeking a quick, comforting bite with an authentic Japanese twist, offering strong visibility and engaging branding opportunities.
