1. AOGS Updates

Great news for all members and friends of AOGS! **1522** papers were submitted and **1424** abstracts have been accepted for the 4th AOGS meeting; the **highest records in AOGS history**.

Papers on Solid Earth, Hydrological, Atmospheric, Ocean and Planetary Sciences range from 170 to 260 in each discipline, while Solar Terrestrial Science ranks Number 1 with 350 submissions.

We have taken the step out of Singapore to reach out to more scientists in Asia and Oceania and we are proud to share the tremendous increase in Thai community participation!

Once again, thank you for your support!

Special Note for Fee Waiver Applicants:

If your application for fee waiver has been successful, please register for the conference by **26/April/2007**, or your offer will lapse.

Our mission is to
promote geophysical
science for the benefit of
humanity in Asia and
Oceania
