

ANTHONY TAT YIN LUI

Anthony Lui was born in Hong Kong. He graduated in 1974 from the University of Calgary, Canada with a Ph. D degree in space physics. He joined the Space Department at JHU/APL in 1979. He has edited four scientific books and published more than 300 scientific papers in refereed journals. One early publication was cited by the American Society of Physics as one of the twelve outstanding pieces of research in Physics for 1973. He has received several NASA and ESA Awards and was elected to be a Fellow of the American Geophysical Union in 2008.
