

**Robin Robertson**  
 University of New South Wales at the Australian Defense Force Academy  
 School of Physical, Environmental and Mathematical Sciences  
 UNSW@ADFA  
 ADFA  
 Canberra, ACT 2617  
 Phone: 61 (0)2 626 88290  
 email: r.robertson@adfa.edu.au  
<http://www.pems.adfa.edu.au/~rrobertson>

**Professional Preparation:**

Florida Institute of Technology (Melbourne, FL)	Oceanography	B.S.	1977
University of Rhode Island (Kingston, RI)	Ocean Engineering	M.S.	1982
Oregon State University (Corvallis, OR)	Physical Oceanography	Ph.D.	1999
Lamont-Doherty Earth Observatory (Palisades, NY)	Post-doctoral position	-	1999-2000, 2001
Alfred-Wegener-Institute (Bremerhaven, Germany)	Post-doctoral position	-	2001

**Appointments and Employment:**

University of New South Wales at the Australian Defence Force Academy, Canberra, ACT, Australia  
 (7-08 to present) Senior Lecturer and  
 (3-06 to 7-08) Lecturer  
 Lamont-Doherty Earth Observatory, Columbia University, Palisades, NY;  
 (10-02 to 3-06) Doherty Associate Research Scientist and  
 (3-06 to present) Adjunct Associate Research Scientist  
 Fairleigh Dickinson University, Teaneck, NJ (9-02 to 12-03); Adjunct Instructor  
 Alfred-Wegener-Institut für Polar- und Meeresforschung, Bremerhaven, Germany, International Research Fellow (2001); Postdoctoral Researcher  
 Lamont-Doherty Earth Observatory, Columbia University, Palisades, NY (3-99 to 1-01; 12-01 to 10-02);  
 Postdoctoral Researcher  
 College of Oceanic and Atmospheric Sciences, Oregon State University, Corvallis, OR (9-91 to 2-99);  
 Graduate Student  
 Ocean Research and Engineering, Pasadena, CA (7-89 to 2-91); Ocean Engineer  
 Tekmarine, Inc., Pasadena, CA (2-88 to 5-89); Ocean Engineer  
 Areté Associates, Sherman Oaks, CA. (5-84 to 2-88) and (6-89 to 7-89); Programmer/Analyst  
 Science Applications International Corp., Newport, RI (3-82 to 5-84); Programmer/Field Assistant

**Synergistic Activities:**

Modeling of internal tides and tidal mixing in the Antarctic and Indonesian Seas, investigating the sensitivity of the results to warming deep water, sea ice, shelf break fronts, stratification, and the critical latitude. Investigating the simulation of tidal mixing using regional models for inclusion into larger scale global models. Comparison of the two terrain-following ocean models, POM and ROMS, for this use. Investigation of historical hydrographic data in the Weddell Sea for temporal and spatial changes.

**Service:**

AMOS (Australian Meteorological and Oceanographic Society) – National Treasurer 2008-2009  
 AMOS – At-large National Council member – 2010 to present

AMOS ACT Chapter - Council Member – 2007-present  
AMOS 2011 Meeting – Co-Convener for Oceanography sessions  
AGU Fall 2009 Meeting – Session Chair for 2 Oceanography sessions.  
Lamont-Doherty Earth Observatory – Executive Committee Member (Junior Staff representative) –  
2003-2006  
UNSW@ADFA – various committees across ADFA and within the school – 2004-present

**Publications:** [no. of citations as of 30 March 2013: Web of Science; SCOPUS; Google Scholar]  
**h-factor=10(Scopus)-9(Google Scholar)**

**Peer-Reviewed Journal or Book Chapter:**
