AOGS

14th Annual Meeting
Asia Oceania Geosciences Society
6-11 Aug 2017, Singapore

ABOUT AOGS

Asia Oceania Geosciences Society (AOGS) was established in 2003 to promote geosciences and its application for the benefit of humanity. Recognizing that the Asia-Oceania region is particularly vulnerable to natural hazards, AOGS is deeply involved in addressing such hazard-related issues via scientific, social and technical approaches. Annually, AOGS holds meetings to provide opportunities for geo-scientific discussion and knowledge exchange among academic, research and public institutions.

As of 2016, AOGS has placed annual meetings in Bangkok, Beijing, Brisbane, Busan, Hyderabad, Sapporo, Singapore and Taipei. The 2017 Annual Meeting of the AOGS (AOGS2017) will be held in Singapore from 06 – 11 Aug, 2017 at the SUNTEC Exhibition & Convention Center. As usual, the AOGS Exhibition or “GEOMEET” remains the main accompanying event.

WHY EXHIBIT AT AOGS2017?

Every year we challenge the status quo. We believe in thinking differently to return our exhibitors a value. We do so by arranging the booths so every exhibit is visible and accessible and creating activities that generates exhibitor-visitor interaction. The “Innovation Theatre” is a complimentary presentation for AOGS2017 attendees to watch some of our Exhibitors and Sponsors showcase their products and services. It is the new platform for products launches and where Speakers share knowledge about crucial developments in their products.

Want to be an Exhibitor/Sponsor at AOGS2017? Email us at geomeet@asiaoceania.org

EXHIBITION PROGRAM

Mon-Fri | 07-11 August 2017 @ SUNTEC Singapore, Level 3
