

AOGS2027

in Marina Bay Sands, Singapore

AOGS2027 | 25–30 JULY 2027 | SINGAPORE

Session Proposals Close 3 October

Bring an important topic - or a distinctive new format - to AOGS2027.

DEADLINE: 3 OCTOBER 2026 Submit early; deadlines are strict.

Regular Sessions

Build a broad, timely session within one of the eight AOGS Scientific Sections and bring researchers together around a shared question.

- Plan for broad appeal and at least 10 papers.
- Name 2–5 conveners from at least two countries/regions; each convener may submit up to two proposals.

[Review the Guidelines & Submit](#)

Special Sessions *A different way to share science*

Have an idea that sits beyond the regular Section programme? Special Sessions are for unique themes that differ significantly from regular Section topics. They are invitation-only and may take one of three formats:

90-MIN SEMINAR OR COLLOQUIUM	120-MIN INTERACTIVE WORKSHOP	60-MIN OVERVIEW LECTURE
At least 6 registered participants, including a moderator; reserve 15 minutes for audience participation.	A hands-on learning experience with a maximum of 3 presenters.	A broad summary of a topic, recent developments and future directions; reserve 15 minutes for audience participation.

Before submitting: The organiser must not be a speaker; all proposed speakers must have agreed to participate; invitations are non-transferable; and every speaker must register and pay the applicable fee.

Email the proposal in .doc or .docx format to [Prof Takehiko Satoh, AOGS Vice-President](#). Include the title, timeliness and intended audience; organiser, chair and speaker details; presentation titles; and an abstract of up to 300 words for each presentation.
